To:

Kerama Group BV.
Braillestraat 10.
NL-2652 XV Berkel en Rodenrijs.

Certificate of Recycling.

Product:
PVC Rigid Flooring Profiles, type Dura, type Infinity, type Hollywood,
PVC-rigid Cladding, type Harvest, type harmony, type Forest, type Aura.

Certificate Statement:
Cifra Recycling GmbH hereby certifies that the PVC rigid flooring profiles handled, processed, supplied by Kerama Group, are managed in accordance with applicable environmental and recycling regulations.

The PVC rigid materials are collected, sorted, and directed into appropriate recycling or recovery streams with the objective of maximizing material reuse and minimizing environmental impact. The PVC regrind is reintegrated into production processes, and non-reusable materials are transferred exclusively to authorized and certified recycling partners.

Cifra Recycling GmbH is committed to responsible resource management and continuous improvement in waste reduction, recycling efficiency, and environmental protection, in compliance with relevant national and European waste and recycling legislation.

Scope of Validity:
This certificate applies to PVC rigid flooring profiles and is issued as a recycling and environmental compliance statement for customers, partners, and stakeholders.
